

Complete Interior Solution

General Policy Statement

Complete Interior Solution will endeavour to maintain the Health and Safety of all persons whilst at work. Employees are compelled by the **Health and Safety at Work Act 1974** to take reasonable care to ensure their own welfare and that of others whilst at work.

Complete Interior Solution will ensure that all working practices carried out by our employees are carried out safely and in a manner that will put neither themselves nor others at risk of injury.

Complete Interior Solution will take all reasonable precautions so as not to cause injury to the public or damage to property and the environment.

Complete Interior Solution will ensure that all its employees are adequately trained in all matters relating to Health and Safety so that they are able to conduct themselves in a manner that will safeguard their Health and Safety and also that of others.

Complete Interior Solution will provide all necessary protective clothing and equipment to carry out its operations in order that its employees or others Health and Safety is not put at risk statutory obligations appertaining to current Health, Safety and Environmental legislation.

The Policy will be kept up to date, particularly as the business changes in nature and size. To ensure this, the policy and the way in which it has operated will be reviewed at least every year.

Complete Interior Solution encourages all employees to be fully committed to Health and Safety and expects them to:

1. Take all reasonable measures to protect the Health and Safety of themselves and also of others.
2. Report to management immediately any aspect of their work or working environment, which may become a hazard to Health and Safety.
3. Refer to management immediately in the event that they do not understand what is expected of them with regards to Health and Safety.
